Increased **Affordability** for Your Patients

At Johnson & Johnson, we recognize that accessibility and affordability of contact lenses is an important consideration for you and your patients. This is why we continue to strategically invest in consumer rewards to help bring the right contact lenses to the patients who need them.

Important Safety Information: ACUVUE® Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness, or other eye problems. Consult the package insert for complete information. Complete information is also available from Johnson & Johnson Vision Care, Inc. by calling 1-800-843-2020, or by visiting www.jnjvisionpro.com.
